# when you need assistance in obtaining accommodation in the private rental market

a Centrecare service assisting people  
in need of accommodation

If you live in the metropolitan area of Perth and are at risk of being homeless, the Centrecare Rental Link Service may be able to help you obtain a private rental tenancy.

### Are you:

- homeless or at immediate risk of homelessness;
- receiving a verifiable income;
- currently not listed on a state or national tenancy banned list;
- eligible for social housing;
- eligible for priority housing; and
- willing to be referred to a housing support worker service for ongoing support?

If you answer “yes” to the above questions and you have not been evicted from your last accommodation for disruptive behaviour, poor standards or property damage, then this service may be of help to you.

**The Centrecare Rental Link Service** assists eligible clients in accessing private rental tenancies. The service will provide assessment of individuals, couples and families for suitability and where applicable, assist with the rental application processes including liaising with landlords and real estate agents.

The service will also refer eligible clients to other relevant community based support services to assist with ongoing support needs in maintaining a private rental tenancy.

A referral is required to access this service. You need to be referred by a Centrecare service such as Entrypoint Perth, the Homeless Advisory Service or the Housing Authority.

***This service is funded by the Housing Authority.***
